QUANTUM SUMMIT

Austin TX November 2-5

Learn the secrets of the ancients:

How to identify target areas and work in harmony with the body's inherent, powerful quantum energy system to induce "quantum cellular resonance" and achieve a new, rejuvenated bio-energy pattern.

Discover how to rapidly induce

"The Quantum Nutrition Effect" in your patients for optimal health. Learn how to support the nutritional response with effectiveness and precision – on purpose, not by chance.

Learn the bioenergetic one second test

To identify incompatible nutrients, foods or supplements and determine which ones to use for each patient, to induce quantum cellular resonance in target glands and organ master points.
