Where Digestive Health Meets Healthy Inflammatory Response*

Premier Research Labs Inflammacin™ is a professional, plant-based enzyme formula designed to support healthy digestive and gastrointestinal function while also promoting a healthy inflammatory response and musculoskeletal wellness.* This advanced blend combines bromelain, papain, and actinidin enzymes with synergistic botanicals to support optimal digestion, circulation, and comfort from normal wear and tear.*

Key Ingredient:

- **Bromelain (from pineapple):** A plant-derived proteolytic enzyme that supports a healthy inflammatory response, circulation, and musculoskeletal health.*
- **Papain (from papaya):** A proteolytic enzyme supporting optimal digestion and gastrointestinal function by assisting in overall protein breakdown.*
- **Actinidin (from kiwi):** An enzyme that helps promote healthy digestive activity and synergizes with bromelain and papain to enhance nutrient utilization.*
- **Inflamma-Support Botanical Blend:** Organic peppermint leaf, fennel seed, and ginger root to support digestive comfort and healthy GI function while complementing enzyme activity.*

Why Choose Inflammacin™

- **Plant-Based Enzyme Formula:** 100% plant-derived enzymes providing total protease activity of 15 million papain units per serving.*
- **Synergistic Botanical Support:** featuring complementary botanicals to support digestive comfort and the gut-musculoskeletal connection.*

Item: 2950

- **Supports Musculoskeletal Wellness:** with bromelain to support a healthy inflammatory response and recovery from normal wear and tear.*
- **Excipient-Free Manufacturing:** with clean, solvent-free, vegan-friendly capsules.
- **Rigorous Quality Testing:** including purity, potency, microbiology, and contaminant screening to ensure uncompromised quality.

The Premier Difference

At Premier Research Labs, every formula is designed for efficacy, purity, and intelligent design.*

- No unnecessary additives or synthetic excipients.
- Rigorously tested for identity, potency, and contaminants.
- Scientifically crafted to align with the body's natural systems.*

Supplement Facts

Serving Size 3 Capsules
Servings Per Container 30

	Amount Per Serving
Bromelain Enzymes (from pineapple)	550 mg [†]
Kiwi Fruit with Actinidin Enzymes <i>(Actinidia deliciosa)</i> (200 PU ¹ /mg)	200 mg [†]
Papain Enzymes (from papaya)	100 mg [†] (30,000 PU ¹ /mg)
Inflamma-Support54 mg [†]
Organic Peppermint (leaf) (<i>Mentha x piperita</i>), Organic Fennel (seed) (<i>Foeniculum vulgare</i>), Organic Ginger (root) (<i>Zingiber officinale</i>)	

[†]Daily Value Not Established

Other Ingredients: Plant-Source Capsules (cellulose, water)
¹Papain Units

Why Inflammacin™

Inflammacin™ combines proteolytic enzymes and synergistic botanicals to promote optimal digestive function while supporting a healthy inflammatory response that contributes to musculoskeletal wellness.*

Digestive Enzymes + Botanicals for Whole-Body Support*

- 1 Bromelain**
Circulation & Health Inflammatory Response*
- 2 Plant-Based Enzymes**
Digestive Protein Breakdown*
- 3 Integrated Botanical Support**
Supports digestive comfort and downstream musculoskeletal pathways*

Key Takeaways

Inflammacin™ is formulated for practitioners seeking a clean, plant-based proteolytic enzyme solution that goes beyond basic digestive support.* By combining high-activity enzymes with targeted botanicals, it addresses the gut-musculoskeletal connection without relying on animal-derived enzymes, harsh excipients, or unnecessary fillers.* Designed for daily use or targeted support during periods of physical stress, Inflammacin™ integrates seamlessly into comprehensive wellness protocols focused on digestion, comfort, and recovery from normal wear and tear.*

Complementary Products

Inflammacin™ provides foundational support for a healthy inflammatory response and digestive comfort through plant-based proteolytic enzymes.* When combined with Curcumin-FX™, it helps modulate inflammation pathways systemically, while Creatine supports muscular health and cellular energy, and Lean Advantage™ promotes normal metabolic efficiency and body composition.* Together, this stack supports whole-body resilience from the inside out.*

Curcumin-FX™

Curcumin-FX™ delivers bioavailable, practitioner-grade curcumin powered by fenugreek fiber technology to support a healthy inflammatory response, joint comfort, cognitive, and liver health.*

Premier Creatine

Premier Creatine delivers pure, creatine monohydrate to support cellular energy production, muscle performance, and cognitive function.*

Lean Advantage™

Lean Advantage™ combines thermogenic botanicals and metabolic cofactors to support healthy body composition, fat metabolism, and sustained energy levels.*
