

# 100% Organic Whey Protein

Organic Whey Protein Concentrate for Muscle, Metabolism & Immune Support

Premier Whey Protein is a **certified organic**, professional-grade **whey protein concentrate**, expertly crafted to support optimal muscle health, daily recovery, and metabolic function. Sourced from high-quality organic dairy and processed with **ultra-low heat filtration**, this formula preserves **bioactive peptides, immunoglobulins, and glycomacropeptides (GMPs)**—nutritional components often lost in over-processed whey isolates.

Each serving delivers:

- **25 grams of complete protein**
- **6.2 grams of BCAAs** (leucine, isoleucine, valine)
- All **nine essential amino acids**, naturally occurring

## Why Whey Protein Concentrate?

Whey protein concentrate is a nutritional powerhouse in comparison to isolates because it retains the full spectrum of bioactive compounds that support immune health, muscle repair, and antioxidant function. Unlike isolates—which are highly processed and may denature sensitive peptides—**whey concentrate maintains fragile immune-enhancing components** such as:

- **Lactoferrin**
- **Beta-lactoglobulin**
- **Alpha-lactalbumin**
- **Immunoglobulins**
- **Cysteine-rich precursors for glutathione synthesis**

These compounds support tissue repair, detoxification, and immune resilience—making whey concentrate a more **complete and functional protein source** than isolates.

## Key Benefits

- Supports **lean muscle mass and strength** through a rich amino acid profile\*
- Promotes **post-exercise recovery** and protein repletion\*
- Delivers **immune-modulating bioactives** to enhance system resilience\*
- Encourages **healthy metabolism and satiety** for daily performance\*
- Supplies naturally occurring **glutathione precursors** to combat oxidative stress\*

## What Sets It Apart

- **100% Organic Whey Protein Concentrate**
- Produced with **ultra-low heat** to preserve protein structure and delicate nutrients
- Provides **25g protein** and **6.2g BCAAs** per serving
- **No sweeteners, flavorings, fillers, or additives** – just one clean ingredient

## Recommended Use

Mix **2 scoops daily** into water, juice, or your favorite beverage. This unflavored whey protein blends smoothly into smoothies, cereal, or functional recipes, adding a **rich, creamy texture** without altering taste.

Whether using post-workout to support recovery, between meals to maintain lean muscle, or as part of a nutritional protocol, this versatile formula delivers complete protein that supports strength, metabolism, and immune function. \* Designed for elite athletes, everyday high performers, or anyone with an active lifestyle, Premier Whey Protein offers purity and performance without compromise.

### 2 Scoops Provides:

Protein	25 g
Calcium	210 mg
Sodium	75 mg
Potassium	180 mg

### Typical Amino Acid Profile Per Serving (from Protein Content)

Yielding:	
L-Alanine	1,400 mg
L-Arginine	740 mg
L-Aspartic Acid	2,900 mg
L-Cystine	760 mg
L-Glutamic Acid	4,600 mg
L-Glycine	510 mg

*continued*

*continued*

L-Histidine	480 mg
L-Isoleucine (BCAA)	1,700 mg
L-Leucine (BCAA)	2,900 mg
L-Lysine	2,500 mg
L-Methionine	610 mg
L-Phenylalanine	870 mg
L-Proline	1,600 mg
L-Serine	1,400 mg
L-Threonine	1,900 mg
L-Tyrosine	860 mg
L-Valine (BCAA)	1,600 mg

Suggested Use: Mix 2 scoops daily into water, juice, or your favorite beverage

Order Code: 0955 (64oz); Violite® Container
